EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with James Simmons on April 23, 2004.

The application has been amended as follows:

Claim 1 has been replaced with the following:

Claim 1. A method of predicting lymphotropic metastatic potential of a primary human breast tumor, the method comprising obtaining a plurality of samples from said primary tumor and determining the expression of at least one product selected from the group consisting of TCR β , CD3, CD4 and CD8, wherein expression of said at least one product in any of the plurality of samples is indicative that the primary breast tumor has lymphotropic metastatic potential.

Claim 6 has been replaced with the following:

Claim 6. A method of predicting lymphotropic metastatic potential of a primary human colon tumor, the method comprising obtaining a plurality of samples from said primary tumor and determining the expression of at least one product selected from the group consisting of

Art Unit: 1642

TCR β , CD4 and ZAP-70, wherein expression of said at least one product in any of the plurality of samples is indicative that the primary colon tumor has lymphotropic metastatic potential.

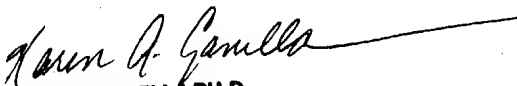

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Karen A Canella whose telephone number is (571)272-0828.

The examiner can normally be reached on 10 a.m. to 9 p.m. M-F.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Yvonne Eyler can be reached on (571)272-0871. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.

Information regarding the status of an application may be obtained from the Patent Application Information Retrieval (PAIR) system. Status information for published applications may be obtained from either Private PAIR or Public PAIR. Status information for unpublished applications is available through Private PAIR only. For more information about the PAIR system, see <http://pair-direct.uspto.gov>. Should you have questions on access to the Private PAIR system, contact the Electronic Business Center (EBC) at 866-217-9197 (toll-free).
